Eucharistic/Mass Facts of the Week

Eighth Grade, Class 4 St. Augustine

Name: _____ Your Day & Catechist: _____

This week, we learned about a Mass quote from St. Augustine. **"The angels surround and help the priest when he is celebrating Mass."** St. Augustine teaches us that heaven participates in the Mass. This is why the priest always mentions us joining in the angels' worship right before we begin singing the "Holy, Holy, Holy" chant at each Mass. The angels help the priest and worship Jesus in the Holy Eucharist with us!

SUNDAY REFLECTION:

Open the hymnal and look at the words to the Holy chant on page 14. What line do you think shows us that the angels are with us and helping us?

Celebrating mass is one of the major responsibilities of a priest. Saint Augustine's quote says that the angels help the priest as they celebrate mass. Think about someone you know who has gone to heaven and say a prayer for them. Pray to them whenever you need help with major tasks that they will surround you with love.
