Fourth Grade, Class 4
Mary, Mother of the Eucharist

Name: _____ Your Day & Catechist: _____

This week, we learned that Mary is called the Mother of the Eucharist. We know that at the consecration of the Mass (when the priest says the words of Jesus from the Last Supper), the bread transforms and becomes an entirely new thing: the Body of Christ! The Eucharist is Jesus Himself, and Jesus is the Son of Mary; so Mary can be called the Mother of the Eucharist. For the remainder of the year, we will learn about Mary's relationship with Jesus, our Eucharistic Lord.

SUNDAY REFLECTION:

BEFORE MASS... THINK OF THESE THINGS FOR YOUR REFLECTIONS 😊

Pay close attention during the Liturgy of the Word. Think about how our Mother Mary "treasured up all these things and pondered them in her heart. Luke 2:19

Listen carefully to the readings and Gospel and write something that you will treasure and ponder on in your heart just like our Mother Mary!

Pay close attention during the Liturgy of the Eucharist.

What did the priest say about Mother Mary?

Write one question that you would like to ponder on regarding Mass.
