

Support Holy Innocents Parish

The priests and staff of Holy Innocents are committed to providing a place where you can encounter the truth and love of God. We invite you to let it be your spiritual home by investing in our parish community spiritually, practically, and financially.

Here are ways you can help.

Participate

Invest your time in your parish. See the bulletin for volunteer opportunities, discussion groups, Mass times, special liturgies, and community events. And if you have an idea for something new, let us know!

Make Your Giving Intentional

Give online or through weekly envelopes.

Choose a percentage to give:

Traditionally, tithing involves giving 10% of your income. People naturally ask: "What about giving to other causes?" and "What if I'm not able to afford 10%?" May we suggest breaking it up by giving 5% to the parish, and 5% to other good causes. If you can't give 5% and 5%, walk it back to something you can afford.

If everyone gives as close to 5% as they can, we'll easily meet the parish goals.

Thank you for your support!

Benefits of E-Giving

Helps our parish minimize weekly fluctuations in offertory.

Allows us to better plan our parish budget and helps our ministries thrive.

Ensures timely and efficient payments for you through scheduled and recurring transactions.

Saves you from remembering to carry bulky checkbooks or envelopes to church.

Strengthens your involvement with our parish and our community.
