

Pastor's Greetings
Feast of Corpus Christi - June 19, 2022

Blessed Feast of Corpus Christi!

This feast is a celebration of the heart of the Church, the heart of our Faith: our Lord revealed to us in the Eucharist. Amidst all the tasks of our Catholic lives, one task towers above all others: to fall in love with the Eucharist. It is in the Eucharist that we discover the intimacy of God's presence to us and the whole treasure of how He wishes to reveal His love to us. The Eucharist teaches us how we are loved and how we are to love in return.

Let us avail ourselves of every opportunity we are given to let the Eucharist be the center of our lives. For starters, here are a few:

- Participate in the offering of the Mass every Sunday, by which I allow my life to be taken up into Christ's offering of the Eucharist to his Heavenly Father.
- Participate in the offering of the Mass daily, so that I experience the Lord's offering of the Eucharist as part of the contours of my daily life.
- Go to Confession monthly so that my reception of the Eucharist can be fruitful, my heart becoming fertile soil through the grace of Reconciliation.
- Come to Eucharistic adoration: Tuesdays 7-8pm, every First Friday all afternoon and this Sunday afternoon.
- Visit the church anytime during the day to simply sit in his Eucharistic presence – the church doors are open 6:30am-6pm and the candle of his presence is always "on".

Peace,

Fr. Luke
