Eucharistic/Mass Facts of the Week Third Grade, Class 6 The Introductory Rites Opening Prayer

Name: _____ Your Day & Catechist: _____

This week, we learned that the Opening Prayer occurs after the Act of Penitence and is the last part of the Introductory Rites.

The priest invites the people to pray by saying, "Let us pray." Then, he allows a moment of silence for the people to add their prayer from their hearts. Next, the priest offers a spoken prayer, and then the faithful all say "Amen."
